

Christmas Meals Supporting Our Community

Where people who are isolated or in need can share a meal at Christmas

The holiday season is here and while a moment for celebration, it can be a difficult time for many.

SAcommunity has collated a list of meal services available this Christmas across Adelaide and regional areas. There is a range of breakfast, lunch and dinner options available for those in the community who may be struggling, from experiencing homelessness or sleeping rough, to those who find themselves isolated or alone at Christmas this year.
